

# About Us

---

As experienced leaders and consultants, we are available for assistance and guidance during times of personal and corporate transition and growth.

We have a multi-disciplined holistic systems approach to personal, professional, organizational, and societal wellness.

Our work addresses all levels of individual and systems development, which can lead to a renewed sense of purpose and direction during times of transition and change.

We welcome direct personal contact at any time to allow us to more fully explain the nature and purpose of our organization.

## Speakers Bureau

We provide meeting facilitation, keynote, and conference speakers. We also facilitate day trips to the United Nations to learn about Global Issues.

Barbara V. Wheeler, RN, MA, CPHC is a holistic counselor and consultant who specializes in areas of women's growth, development and renewal; career testing and consultancy; stress management; energetic healing approaches to physical, emotional and spiritual challenges; questions of life direction and meaning; and the changing roles of women in today's world.

Michael E. Collins, MA is an experienced educator and advisor in matters of organizational community building, and management leadership renewal. Also, a resource provider and counselor in human relationship transformation.

Virginia Swain, MA, CPHC, is a career and life directions coach, conflict, leadership and team building consultant, trainer, mediator, facilitator and counselor. Her clients are emerging and seasoned leaders, teams, corporate and international organizations. She offers public speaking, deliberation and dialogue for reconciliation, sustainability, community building and social responsibility.

Robert B. Wheeler, MS, MBA, CSEP, PMP, is a Systems Consultant and Trainer, whose experience includes managing complex systems development, and providing global consultancy and training. Bob's focus is integrating people, process, and technology.

Linda J. Wheeler, LMT, is a Licensed Massage Therapist, and a Reiki Master Teacher, who brings a background in business management, psychology, and visionary art. She utilizes an integrative approach to managing health and wellness, while creating a peaceful and healing atmosphere, where one can restore balance, and a sense of well-being.
